

Montage de L'espadon

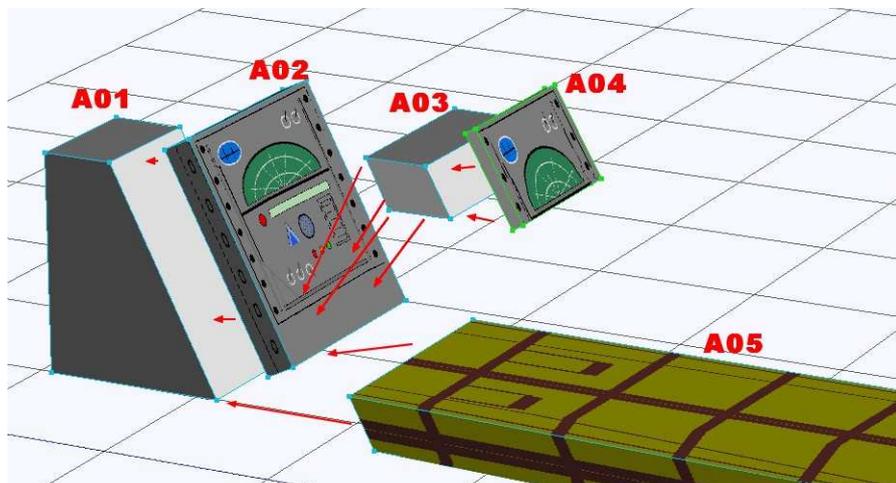

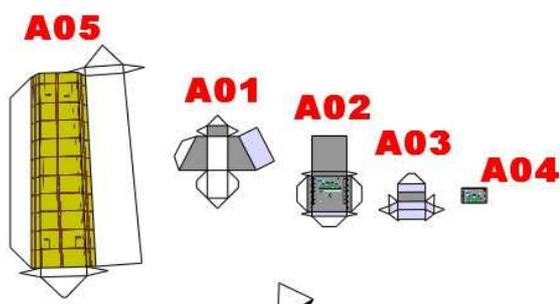

PH3DM

Phh29@free.fr

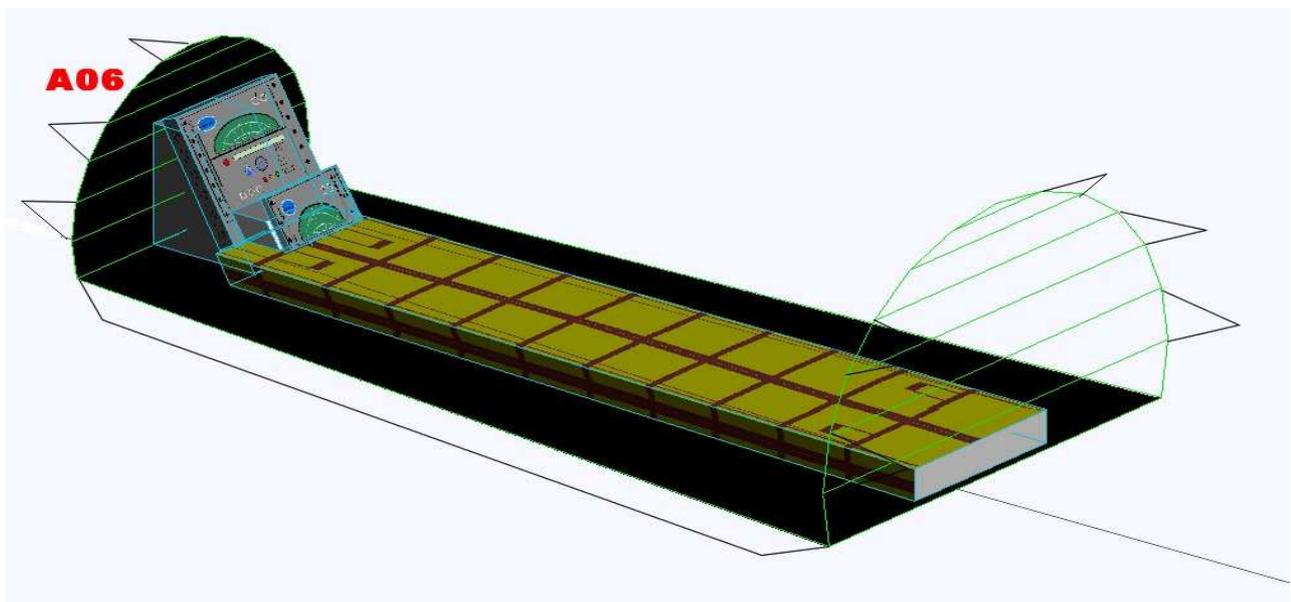

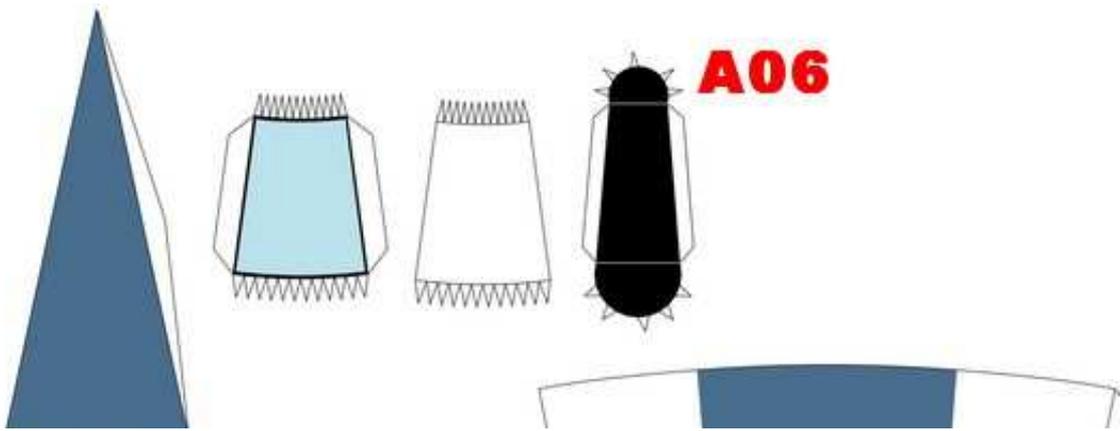

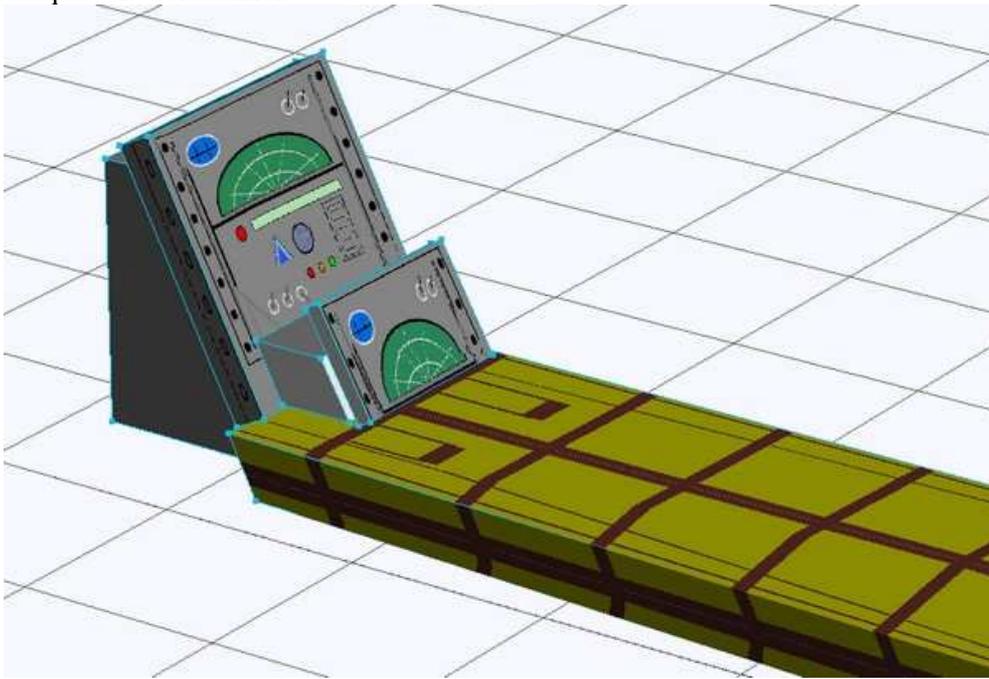

Commençons par cockpit où les pièces sont les plus petites.
2 pièces du tableau de bord ont été supprimées par rapport au modèle.

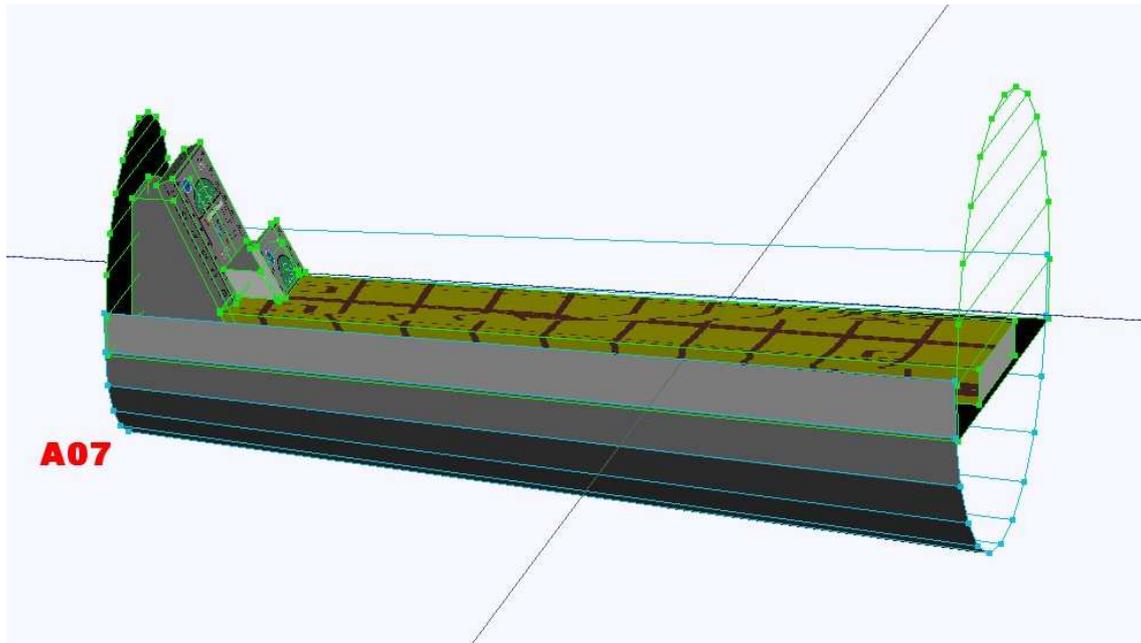

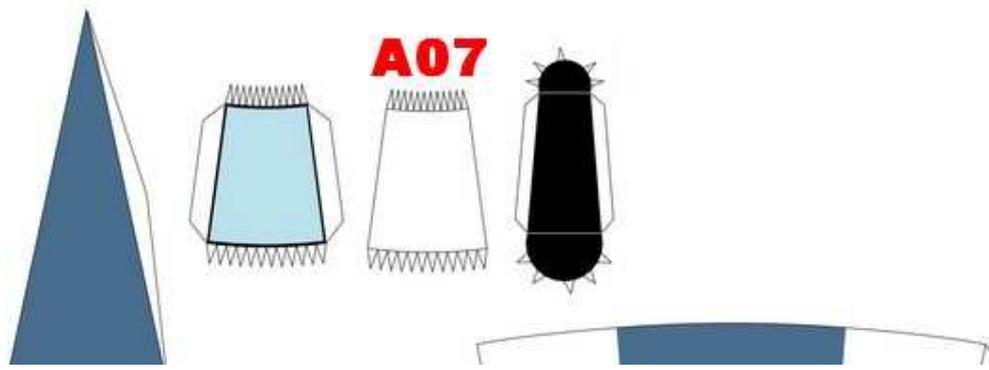

Montage des pièces du cockpit

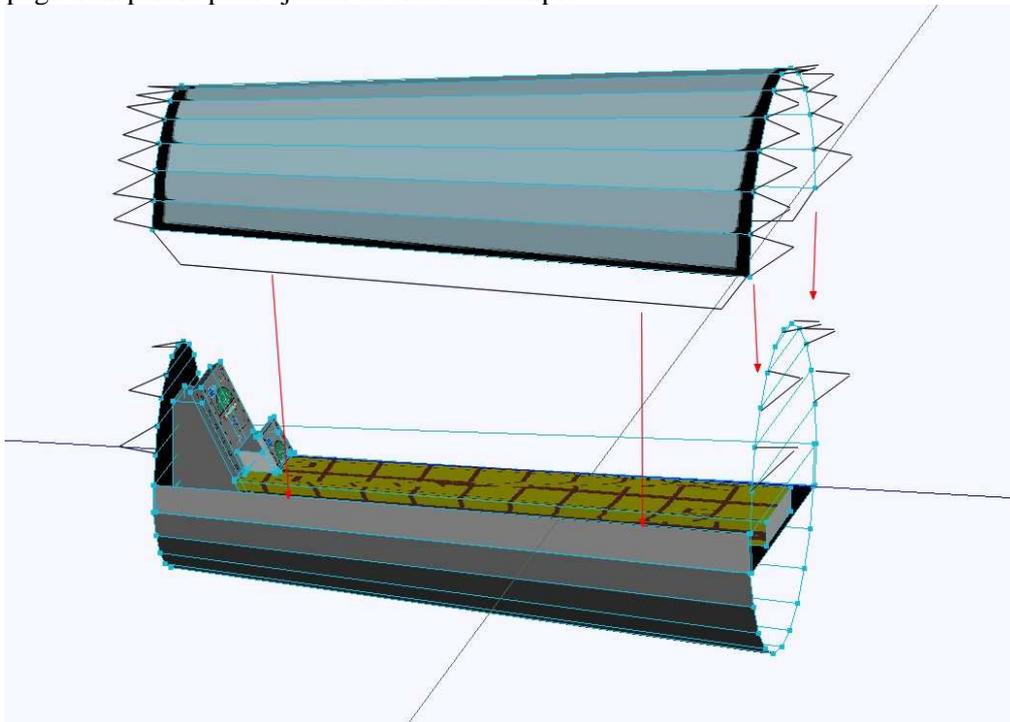

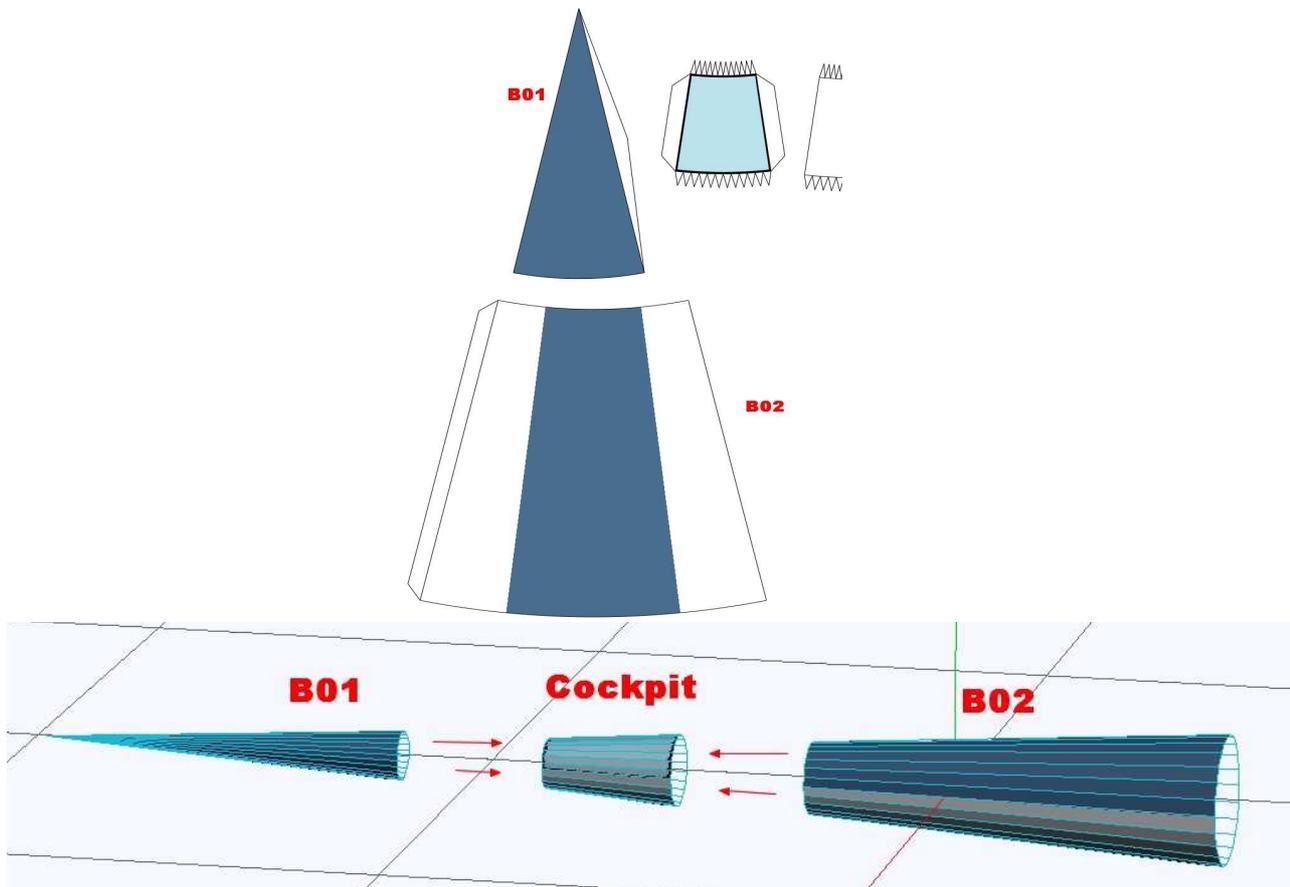

Voila ce que cela doit donner

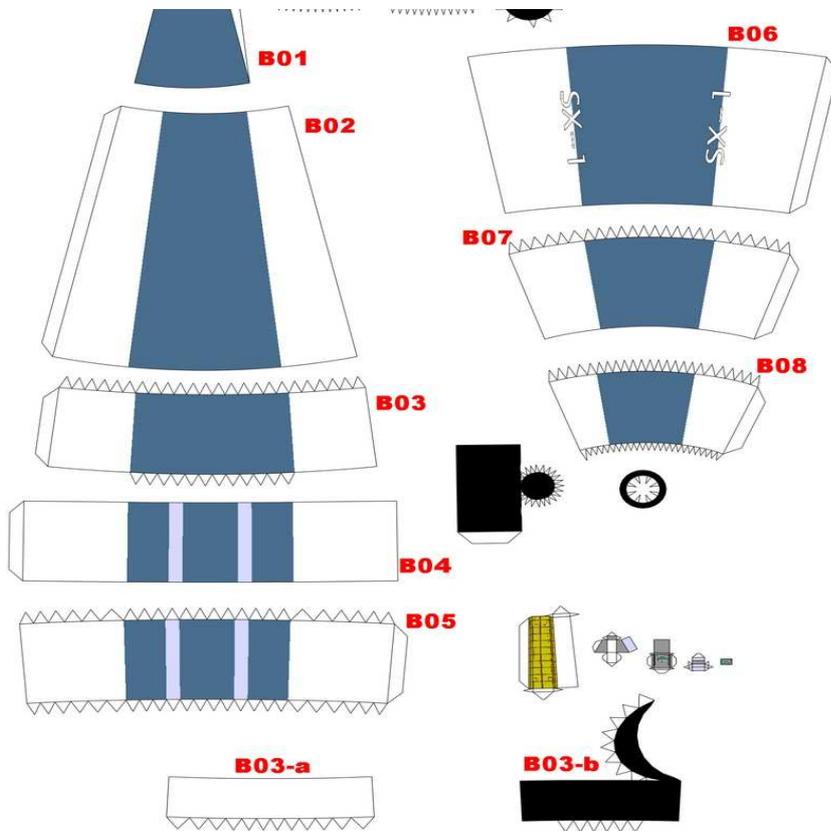

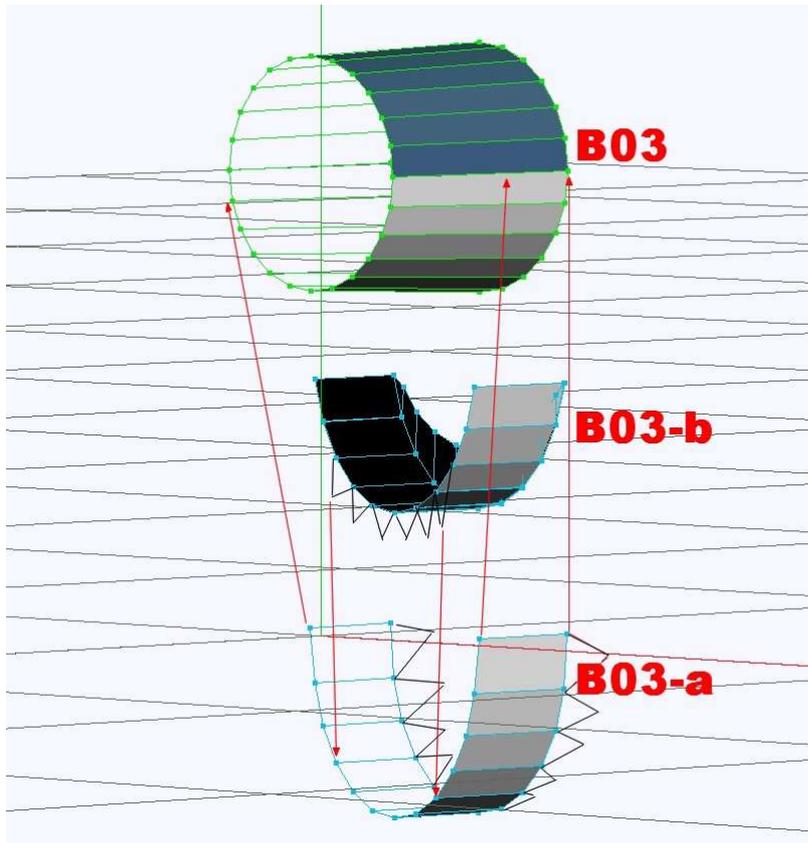

Prendre sur la page transparent pour ajouter la vitre du cockpit

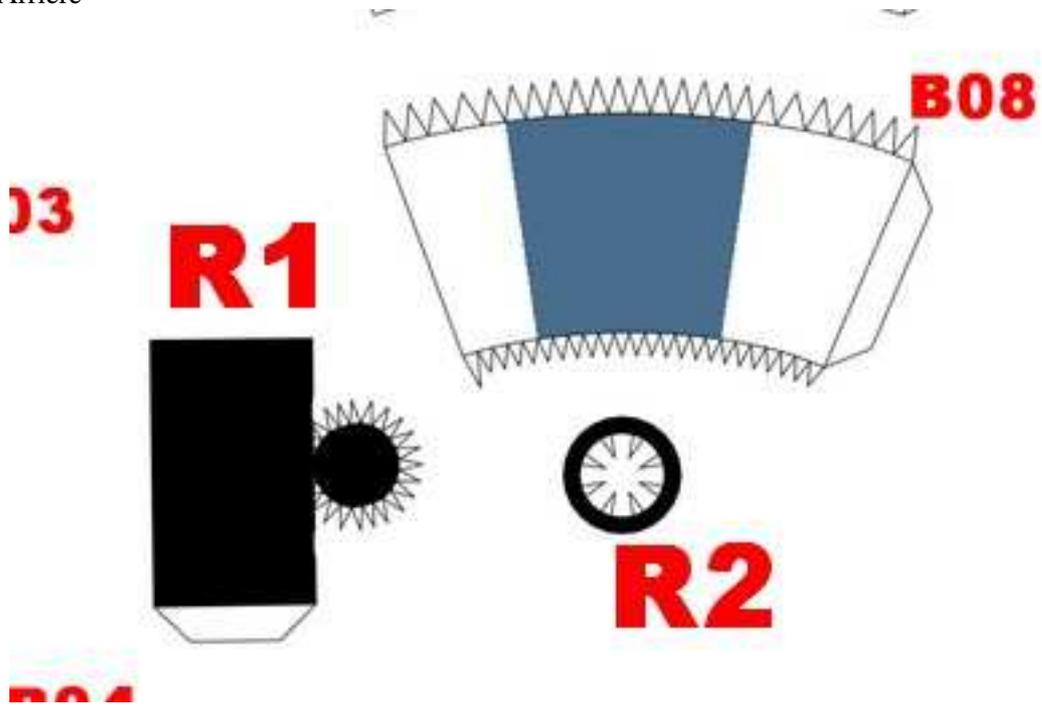

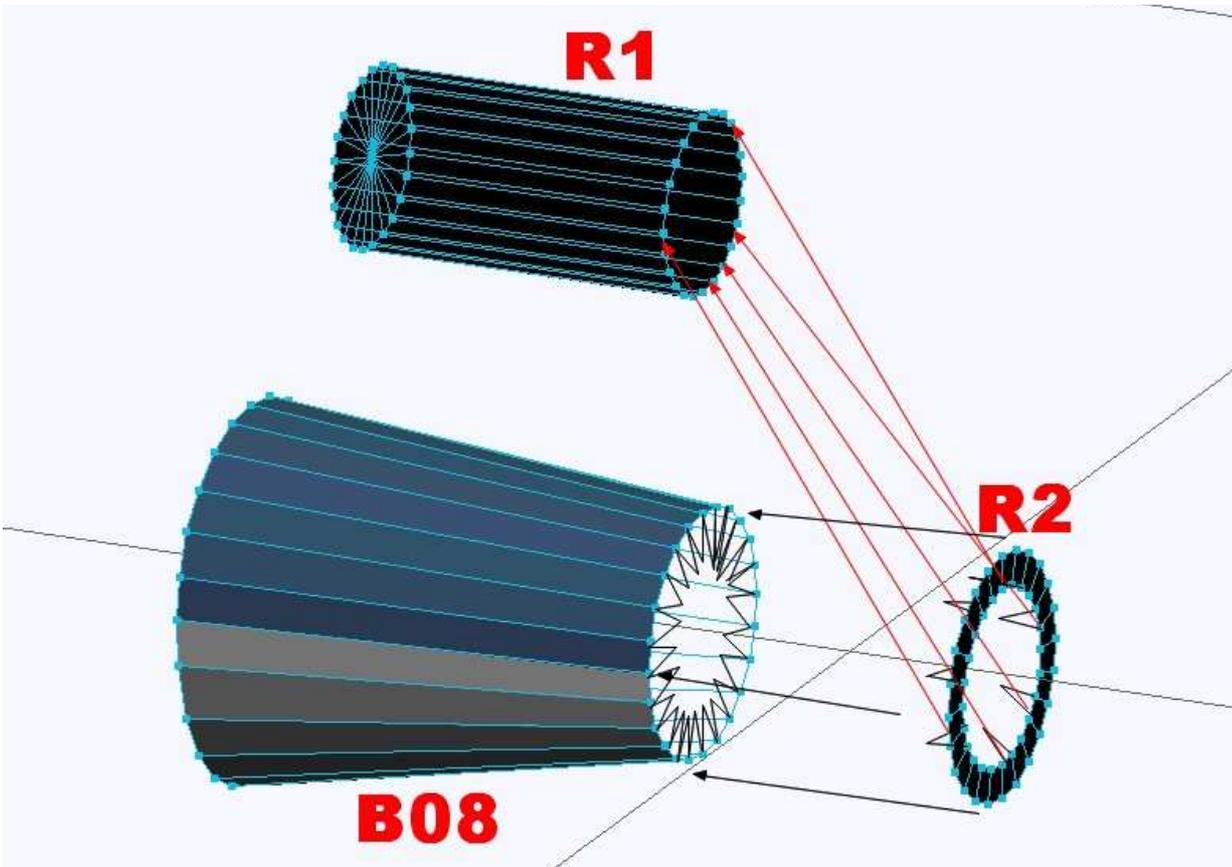

Le réacteur

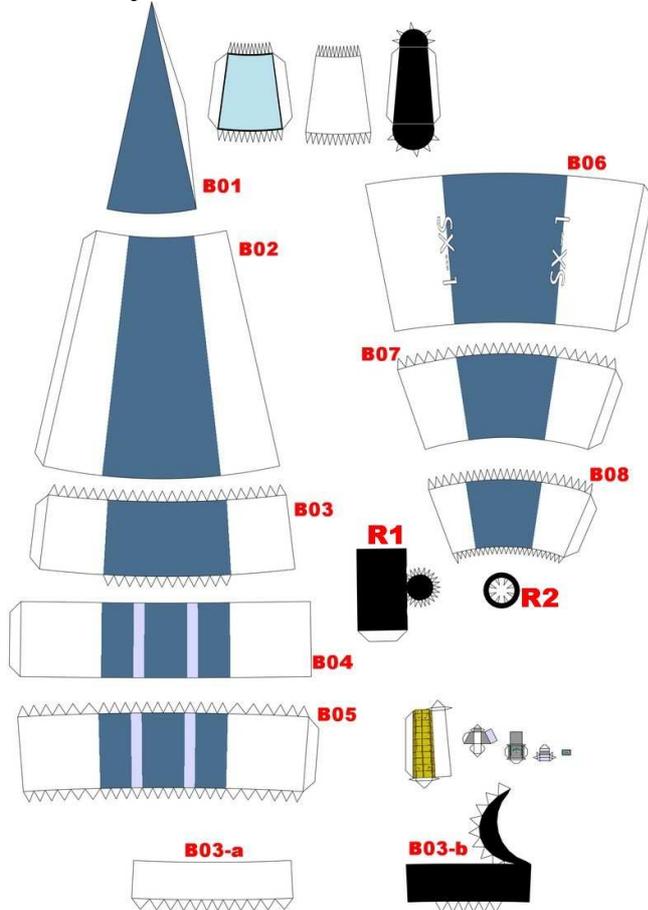

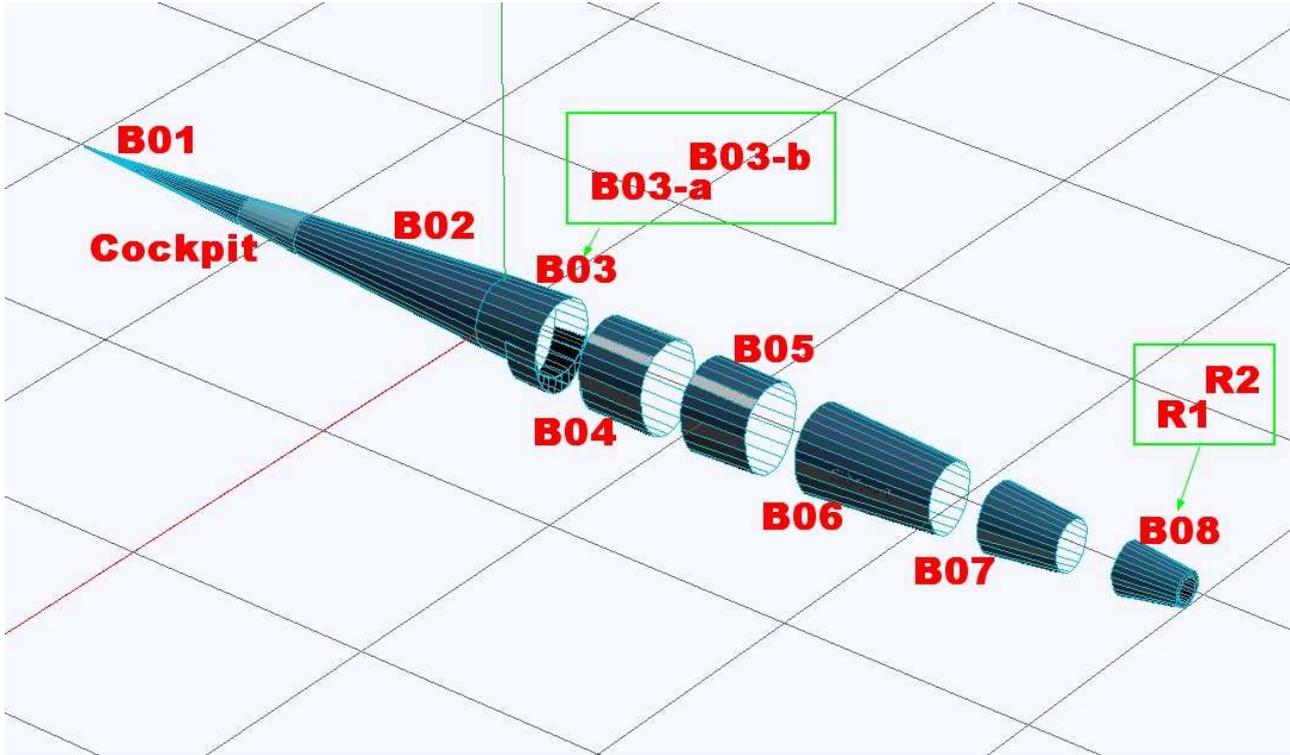

Réacteur Arrière

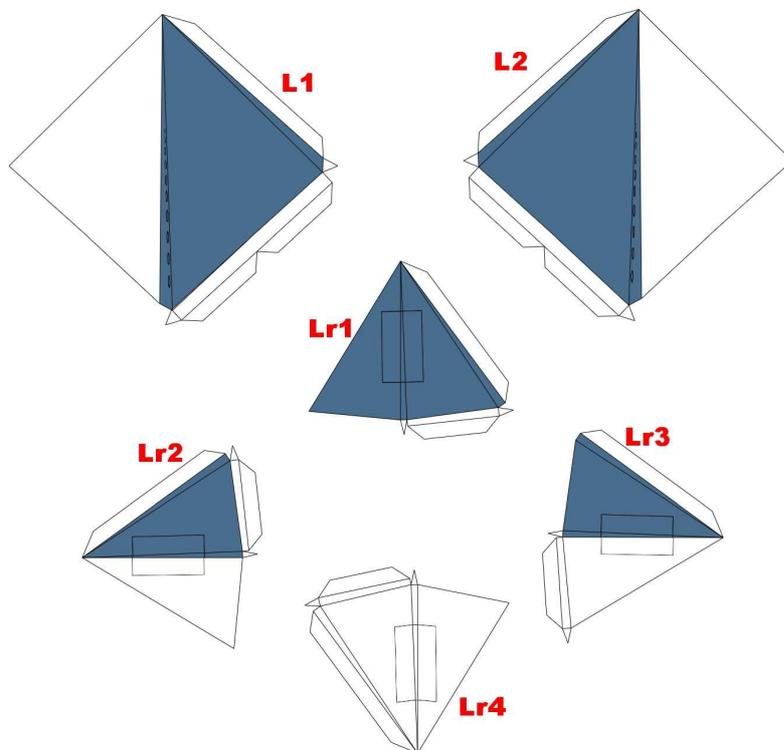

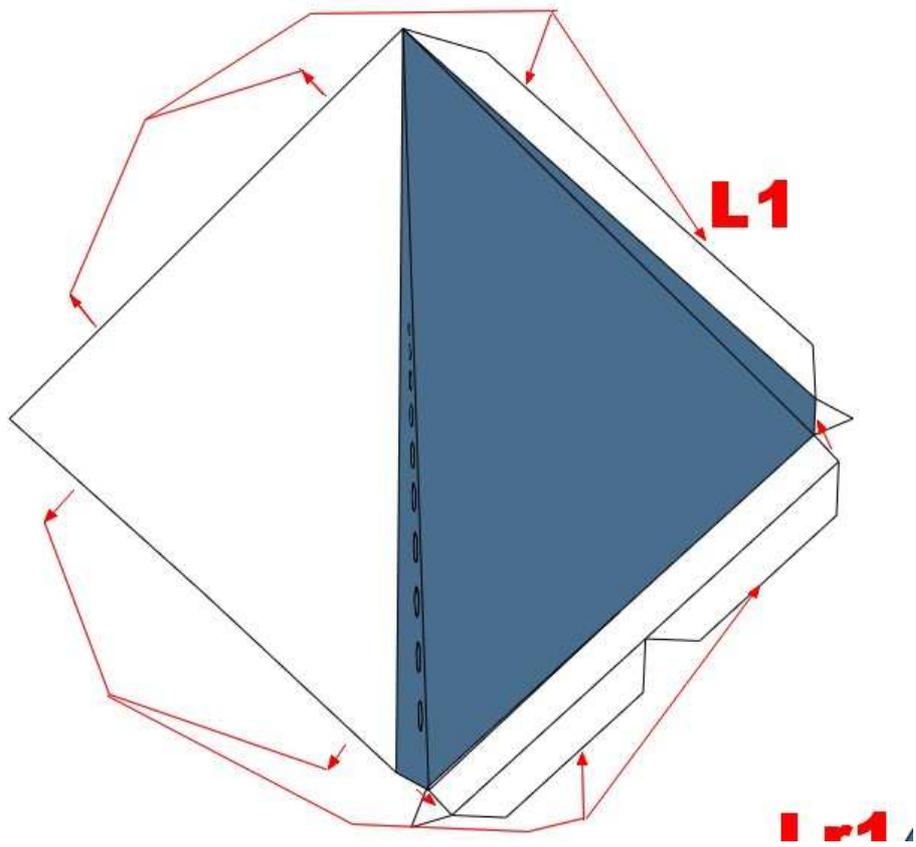

Montage de l'ensemble du corps

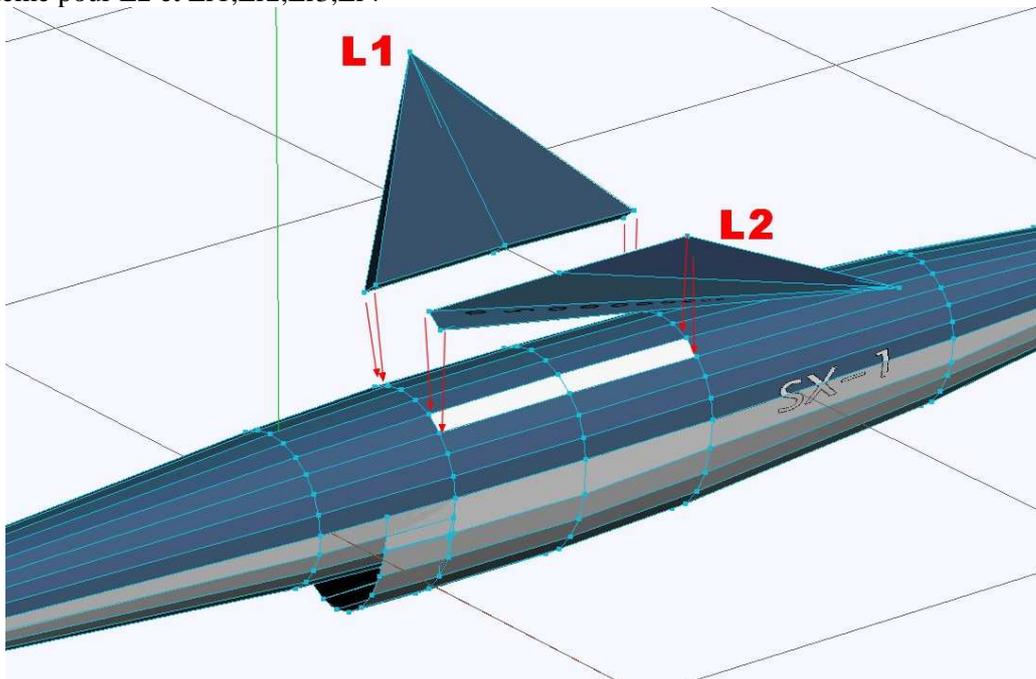

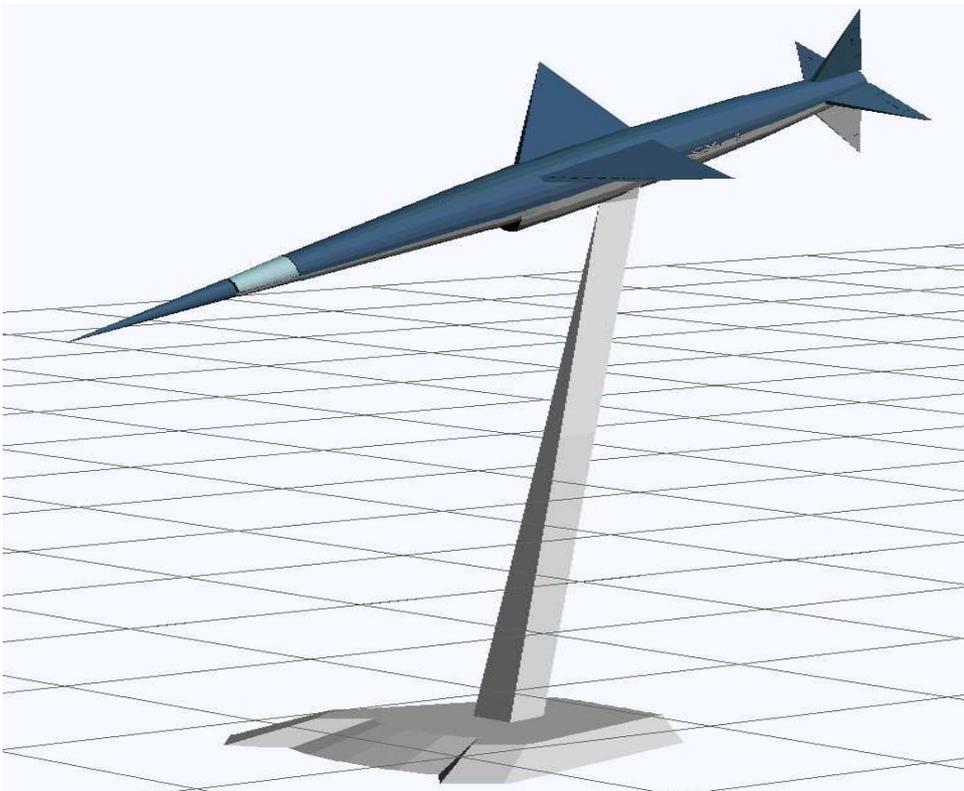

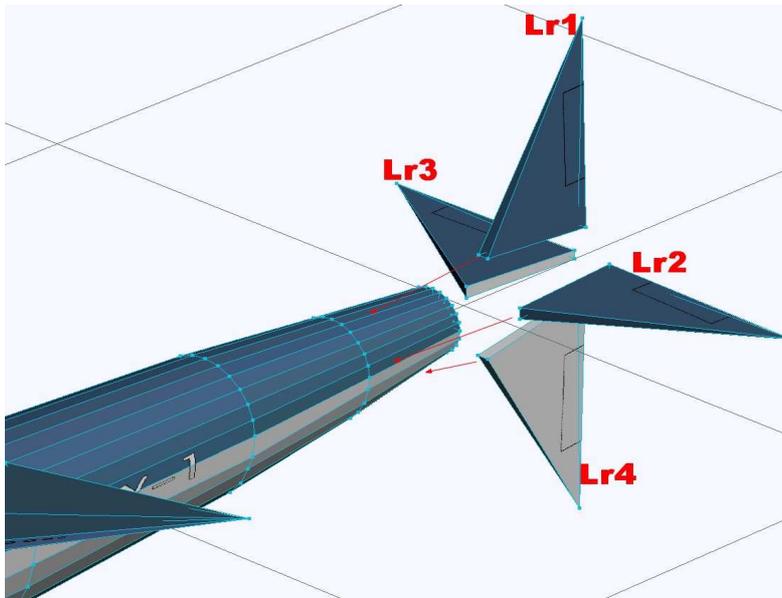

Les ailes Avant

Même système pour L2 et Lr1,Lr2,Lr3,Lr4

Voila bon courage et n'hésitait pas à faire vos commentaires.
